Jay Vora

Ship Captain

Jay is known for his thoughtful leadership, passion for development, and enthusiasm for technology.

Jay is known for his sociable nature and active participation in various Odoo forums and social platforms. In addition to his technical pursuits, he is also a poet, writer, and avid blogger on topics ranging from motivation and cricket to ERP-related subjects. He loves to play and travel with Daughter Demira.

Husen Daudi

Ship Captain

Husen is a Six Sigma Black Belt consultant and Odoo expert. Husen and Jay both wrote a number of article and books. Husen has played a pivotal role in developing and maintaining various ERP implementations in both public and private sectors. Outside of work, he is a hobbyist painter and cherishes spending time with his sons, Mufaddal and Yusuf.
